## **DEFLECTION.CA**

**CATEGORY: SPRING HANGERS** 

## SERIES SHE1

## DESCRIPTION

- Our spring hangers are fabricated using heavy duty steel.
- Springs are made from high quality and heavy spring steel.
- Springs are powder coated with color code for easy identification
- Special rubber washers are provided for uniform distribution of load.

## **APPLICATION**

Used for wide range of HVAC equipments such as fan oil units, air handling units, fans, pumps and chillers etc.

| model no. | rated load<br>(lbs) | rated load<br>(kgs) | deflection<br>(in) | color code of spring |
|-----------|---------------------|---------------------|--------------------|----------------------|
| SHE1 40   | 40                  | 18                  | 1.00               | pink                 |
| SHE1 65   | 65                  | 30                  | 1.00               | orange               |
| SHE1 75   | 75                  | 34                  | 1.00               | black                |
| SHE1 110  | 110                 | 50                  | 1.00               | blue                 |
| SHE1 150  | 150                 | 68                  | 1.00               | brown                |
| SHE1 175  | 175                 | 80                  | 1.50               | green                |

| model no. | rated load<br>(lbs) | rated load<br>(kgs) | deflection<br>(in) | color code of spring |
|-----------|---------------------|---------------------|--------------------|----------------------|
| SHE1 215  | 215                 | 98                  | 1.00               | white                |
| SHE1 245  | 245                 | 111                 | 1.00               | purple               |
| SHE1 300  | 300                 | 136                 | 1.00               | yellow               |
| SHE1 400  | 400                 | 181                 | 1.00               | red                  |
